Contracting is planning on putting Upper Animas Task Order request for proposals out to the contractor pool this Thursday or Friday. To prepare proposals without a "bid walk", the contractors may contact Silverton officials/business.

Does Silverton know yet? I guess we could put something in the PWS that the proposers should not contact Silverton Officials, but I think as they are preparing the proposals and making phone calls that the information would get out anyway.

I am meeting with contracting at 3:00 central to talk about the evaluation criteria.

Also is there a place I can get all the references in the IA and PWS?
